

Alcohol Policy

We would like you to be able to enjoy drinking alcohol in a responsible way. We expect you to remain respectful.

You can drink alcohol in the garden and stage 2 rooms.

Alcohol is not allowed in the reception area.

Stage 1

Alcohol is not allowed anywhere in stage 1. Please do not consume or store alcohol in the stage 1 kitchen or your room. This allows you to be yourself without the influence of alcohol.

If you are intoxicated and do not remain respectful, we will ask you to complete a “Positive Change Agreement”.

If you breach this agreement within 3 months, your license with YMCA South Midlands may be ended.
